

# 2010-11 Eanes Student Directory

*Sponsored by the Westlake High School PTO*

**www.eanesdirectory.com**

*Login now to include your family in this year's directory*

**To Eanes ISD Parents---**

The **Eanes Student Directory** is a valuable resource for Eanes ISD families, especially those with students in high school, middle school or one of the elementary schools that does not offer their own student directory. This phone book is the best way to reach your student's friends and their parents, to work on schoolwork, arrange carpools or social events, or keep up with your kids' activities.

The **Eanes Student Directory** includes the following information:

- Family Listings – lists all families in the school district, with parent / guardian names, contact information, student names, grade and school. Students with different last names are cross-referenced to their parents' or guardians' listings. The Online Directory includes emails and multiple telephone numbers per family, if the parents choose to share that information online.
- School District Info – the academic calendar, phone numbers and names for contacts in Eanes ISD Central Administration, plus phone numbers and names for faculty and staff at each school, parent organizations and booster clubs.
- Safe Homes - lists all the families who have signed the 2010-11 Safe Homes pledge
- Advertisers – the directory includes wonderful advertisers who support our schools.

To make sure that your family is included in the 2010-11 **Eanes Student Directory**, you must login to **www.eanesdirectory.com** and validate your family listing prior to September 17, 2010.

- This is a free, secure website run by Westlake High School Parent Teacher Organization, not Eanes ISD.
- You must provide us your family information because we do not automatically get the updates you make with Eanes ISD.
- You select the information you wish to share in the directory, and we also allow you to list your children that do not attend Eanes ISD schools. Many students have more than one household and we allow both households to be listed if you wish.
- If you are new to the district, you may register yourself and add your family information to the directory website. Once we confirm you are an Eanes ISD parent, we will give you access to the Online Directory to look up other families.
- Updates after September 17<sup>th</sup> may not make the print directory, but will be included in the Online Directory if you wish.

The print directory is \$12, on sale now through the campus booster clubs. It will be delivered to the students in October. We encourage you to order a copy (or two!) for your family. An order form is included below, please fill out and mail with a check.

Contact Sheri Miller (502-8545 [kirknsheri@austin.rr.com](mailto:kirknsheri@austin.rr.com)) for questions regarding Directory Advertising.

- Contact Judy French ( 328-7597 or [jhcfrench@hotmail.com](mailto:jhcfrench@hotmail.com)) or Margaret Baldree (328-5790 or [mbaldree@sbcglobal.net](mailto:mbaldree@sbcglobal.net)) for questions regarding Directory website or listings.
